

What our clients have to say:

“Brad Newberry is not only a wonderful agent, he will shortly become a friend. It was a wonderful experience because Brad cared more about helping us find the perfect home rather a quick buck in his pocket. We are very happy with the home Brad found for us and would recommend him to everyone!”

-Heather & Joe Nichols

(Thank you, Heather and Joe!)

Real Estate for us has been very busy this spring/summer. Thank you all for continuing to refer business to us!

Green Tip:

Water your lawn in the early morning and late evening to reduce evaporation, and only water the areas that need it.

Kate's Kitchen:

I love fresh produce, and this is a summer staple at our house. Even our 1-year old loves this salad. Make it your own...add or subtract whatever veggies you prefer. Add celery, bell pepper, carrots...

Cucumber & Tomato Salad

- 2 Cucumbers
- 3 Medium Tomatoes
- 1 Onion
- 1 Bulb Fennel (Anise)
- 2-3 Cloves Garlic, Minced
- 1 Large Lemon
- Extra Virgin Olive Oil (EVOO)
- Salt & Pepper

Cut Cucumber, Tomato, Onion, and Fennel into bite size pieces. Add juice from at least ½ the lemon (I use the whole lemon), minced garlic, and 4 Tablespoons EVOO. Salt and Pepper to taste, and mix all ingredients. Best if you can refrigerate for at least an hour. May have to add more salt before serving.
