

Newberry Update:

If you've been anxiously awaiting your copy of the "Newberry News-letter," I apologize for the 4-month hiatus. The delay was due to the addition of our sweet daughter,

Anna Leigh Rose

January 5, 2009 6 lbs

She is a happy little bundle of joy, and we thank the Lord for this precious gift!

"From the fullness of His grace we have all received one blessing after another!"

-John 1:16

Kate's Kitchen:

Can't get your kids to eat broccoli? Try this...a fast salad made of broccoli, but your kids won't know it!

Broccoli Slaw

- 2 pkgs of Broccoli Slaw (found near the bag salads)
- 1 pkg chicken flavored Ramen Noodles
- ½ C vegetable oil
- 3 Tbs Vinegar
- 2 Tbs Sugar
- 1 tsp Salt
- ½ tsp Pepper
- ½ tsp Accent (or other seasoning salt)
- ¼ C Sunflower Seeds

Break Ramen noodles into small pieces (just smash them in the package, but try not to bust the pkg or they will go everywhere. ☺) Combine all ingredients, mix. Refrigerate for several hours before serving if possible.
